MEMBER WALKTHROUGH GUIDE

GUIDE 7: FIRST TIME LOG IN TO ONLINE BANKING

1. To access the new online banking system, go to the CUA website just like you do today. Once you are on the website, click the green "Sign in" link in the top right-hand corner of the menu bar.

2. You will then be brought to the new sign in page. To begin, enter your Member (Debit) Card number in the 'Debit card number or username' box. If you are a personal member with a Member Card, enter the 19-digit number from the front of this card. If you have received a letter dated July 29 with an assigned number, enter the assigned number here. Click 'Continue'.

Note: **Do not** select 'Forgot username or password?' for your first-time logging in, as you need to go through the process of verifying your contact details and creating a profile. Once you've created a profile, you can use this option to retrieve or reset your login credentials in the future. If you are having trouble logging in for the first time, please call our Customer Contact Centre at 902.492.6500.

3. You will then be asked to walk through setting up a profile. Enter your: 1) date of birth, and 2) either your mobile phone number or email address. Then, 3) click 'Confirm' next to the verification method you selected.

Note: This information must match the details on your account profile. If they do not match or are not on file, you will receive an error message directing you to contact CUA. Before contacting us at 902.492.6500, please try both your mobile phone number and email address.
