5. Within the 'Settings' menu, select 'Manage Contacts' from the options.

- 6. Your e-Transfer contacts will be displayed in a list. You can now screenshot this information and save it to your mobile device.
 - Before you save, you may want to first review these contacts and remove any that you no longer use.
 - To screenshot on most iOS (Apple) devices, simultaneously press the volume up button and the power button.
 - On most Android devices, simultaneously press the volume down button and the power button.

The screenshot of your e-Transfer contacts will automatically be saved to your phones 'Photos' (Apple) or 'Gallery' (Android) app.

Note: These methods may vary based on the brand and model of your device. Please refer to your device's user manual for more information.
