

## The better way to bank

Members of the CUA Team work to create and deliver a great banking experience to 20,000 individuals and businesses across Nova Scotia. The CUA Difference is a combination of flexible products, personalized service and quick decisions made and delivered by people who know and love our Province. CUA's continued growth and member satisfaction reflects a team of committed problem-solvers who think big and outside the box to help others take a step forward in their financial health. If you are excited about the opportunity to help people achieve what matters most, while changing the way people think about banking, consider the following role.

### **Finance Officer**

Reporting to the Manager of Finance, the Finance Officer is responsible for carrying out various financial tactics in support of CUA's overall operations. These tactics encompass accounting, financial and member-based activities to ensure that the financial results of CUA are accurate, complete, timely and effectively disseminated to various audiences within CUA. Responsibilities include preparing and posting journal entries, reconciling accounts and processing payments or remittances to members and third-party requests.

#### ***Attributes:***

As the successful candidate, you have a proven ability to initiate and complete tasks pertaining to accounting and financial information systems. You understand accounting fundamentals and how they are translated into financial information, reports and supporting documents. You have experience in preparing budget and forecast documents, and are efficient in processing transactions within prescribed deadlines. Your attention to detail and strong financial acumen make you a valuable member of the Finance team.

#### ***Education / Experience:***

- Possess an undergraduate degree or diploma in Business Administration, with accounting experience; or, equivalent combination of training and experience.
- Strong foundation and knowledge in accounting principles and systems.
- Previous financial institution experience considered an asset.
